sepsis range

A STANDARDISED APPROACH TO SEPSIS

Our range of sepsis emergency response solutions have been specifically designed to standardise and simplify your approach to treating sepsis.

Adopting the widely-acclaimed Sepsis Six approach to treatment, our products provide structure and organisation to improve your response speed and quality.

When treating sepsis, time is crucial. A standardised and well-structured approach to equipment can significantly increase working efficiency.

SEPSIS TROLLEY

Built on our extremely popular SQ trolley, the sepsis trolley features a distinctive appearance, excellent manoeuvrability and five fully labelled drawers specifically designed to follow the workflow of the Sepsis Six.

- Key locking system with wall tether for security
- Five year warranty
- Lightweight design for ease-of-use
- 110% drawer opening for easy access to items at the rear of the drawers
- Manufactured using infection-control friendly materials
- Available with a range of accessories

Sharps Bin Holder

SEPSIS BAG

Our tamper evident sepsis bag provides convenient and structured storage for sepsis treatment.

Manufactured from wipe-clean material, infection control is made extremely simple.

- Tamper evident using our range of tamper evident seals
- Simple infection control with wipe-down material
- Six internal compartments to aid the Sepsis Six workflow
- Lightweight and ideal for mobile use
- Padded for additional protection when in transit
- Custom printing available on orders over 25 units

Code: **SJI-1610-010**
Size (WxDxH): **310 x 310 x 140 (mm)**
Colour: **RED, ORANGE**

SEPSIS BOX

Our tamper evident sepsis box provides durable, mobile and structured storage for sepsis equipment.

By encouraging standardisation across wards, the sepsis box helps to ensure that staff are familiar with the contents and process for treatment.

- Tamper evident using our range of tamper evident seals
- Easy to identify box with sepsis labelling
- Lightweight and durable, ideal for mobile use
- Custom printing available on orders over 25 units
